Tea and Biscuits provided. If anyone has anything specific they would like to see on the Agenda please send/inform a member of the Committee by 1st November.

### Membership

Just a reminder that the 2010 membership expires on the 31st of October. The fee for next year will remain at £25

### Schooling & Training

Kim has been working on getting schooling nights up and running again for the autumn/winter session. Schooling will take a similar format as last year and be held at Southmuirhead with Andrew Wilson- 13<sup>th</sup> October, 10<sup>th</sup> November and 8<sup>th</sup> December. A mixture of flat and jumping will be available. Spaces limited- contact Kim to reserve yours.

### Dinner Dance and Annual Awards Presentation

Make sure you have Friday 19<sup>th</sup> November in your diaries for the annual awards dance. We return for the third year to the Shawlands Hotel, by Larkhall for a fantastic evening if the last two years are anything to go by. Last year there was a waiting list for tickets so book early to avoid disappointment. Contact Kirstie for details/ tickets.

### Malcolm 9 Pack Challenge

Congratulations to Kirstie and the rest of the team on completing their very ambitious and energetic venture. In just eight days they ran, rode and cycled their way round the 9 foxhound packs of Scotland to raise money for The Eloise and Katie memorial trust and the Berwickshire hunt. So far they have raised in the region of £20000. Further donations can be made at [www.justgiving.com/9packchallenge](http://www.justgiving.com/9packchallenge).

Here's a summary of their adventure!!

Cycle **326 miles** (Kincardineshire to Fife to Renfrewshire to Dumfriesshire to Liddesdale)

Run **34 miles** (Jed Forest to Duke of Buccleuch's to Lauderdale)

Ride **52 miles** (Liddesdale to Jed Forest, and Lauderdale to Berwickshire)

Total **412 miles**

Punctures 4 (3 on 1 bike; puncture proof inner tubes recommended)

Girls with saddle sores 5 (cycling shorts not 100 per cent effective for road bikes on rough tow paths)

Wrong turns 3 (and still mostly smiling) Tumbles off bicycles 11 (6 off 1 bike; SPDs not easy to get used to)

Tumbles off horses 0 (much the safest method of transport)

Lucky straw lorries passed 7 (although one nearly squashed them)

Energy bars consumed 124 (eating while cycling - no problem)
